

# Welcome to the TELUS Partner Program.

The TELUS Partner Program is designed to give CHFBC Co-op members access to enhanced offers, savings, and customer service. Building value for your Co-op by pursuing the interest of members via a partnership agreement with TELUS.

The aim of our program is to build a long term partnership between TELUS and CHFBC Co-op's, ensuring members are informed of the latest offers and benefit from our most competitive rates. Your dedicated TELUS Channel Manager, Kayla Bosch, will act as an advocate on behalf of your Co-op. Kayla's role is to ensure members have access to our latest technologies and best in class services as we work towards building out the TELUS PureFibre™ network and copper network.
